Donation – SAVA Community Veterinary Clinics (SAVA-CVC)

SAVA was instrumental in revitalising the SAVA Community Veterinary Clinics (SAVA-CVC). The nature of charity organisations is that there is constant uncertainty about future cash flow – every donation from an individual or group might be the last donation.

SAVA provides an easy method for our members to contribute to this worthy cause with an option to add a contribution to **SAVA-CVC of R15.00** per month on your debit order.

Donation – South African Veterinary Foundation (SAVF)

The South African Veterinary Foundation (SAVF) aims to promote and advance veterinary and other biological sciences. This includes supporting veterinary research at all levels, to fund bursaries for veterinary studies and to invest and administer various financial portfolios in order to promote the knowledge, image and status of the veterinary, para-veterinary professions and practice within Southern Africa, resulting in improved quality of life for animal and man. Finding funds for research is often not part of an academic or aspiring academic's nature. The SAVF wants to increase its reach by having more funds available to invest in research.

SAVA provides an easy method for our members to contribute to this worthy cause with an option to add a contribution to the **SAVF of R15.00** per month on your debit order.
