

CHEETAHS AS GAME RANCH ANIMALS

TABLE OF CONTENTS

- Marker, L.** Current status of the cheetah
- Mills, M.G.L.** Cheetah ecology and behaviour in East and South Africa
- Meltzer, D.G.A. & van Dyk, A.** The history of the De Wildt Cheetah Breeding Project: veterinary aspects
- Rogers, P.S.** Planning and management of a cheetah breeding facility
- Visser, R.Q.** Specifications for cheetah holding facilities
- Schultheiss, W.A., Rogers, P.S., Kriek, N.P.J. & Verschoor, F.** Dietary management of captive cheetahs
- Penzhorn, B.L., Horak, I.G & Krecek, R.C.** Cheetah parasites: a review
- Verdoorn, G.H.** Controlling ectoparasites in a cheetah breeding facility
- Meltzer, D.G.A.** The king cheetah
- Hofmeyr, M. & van Dyk, G.** Cheetah introductions to two North West parks: Case studies from Pilanesberg National Park and Madikwe Game Reserve
- Hunter, L.** Early post-release movements and behaviour of reintroduced cheetahs and lions, and technical considerations in large carnivore restoration
- Purchase, G.K.** The Matusadona Cheetah Project: lessons from a wild-to-wild translocation
- Marker, L. & Schumann, B.D.** Cheetahs as problem animals: management of cheetahs on private land in Namibia
- Rogers, P.S.** Chemical immobilization and anaesthesia of cheetahs
- Lambrechts, N.** Distal limb fractures in four female king cheetahs
- Bauer, G.A.** Cheetah □ running blind
- Munson, L., Meltzer, D.G.A. & Kriek, H.P.J.** Diseases of cheetahs
- Kriek, N.P.J., Rogers, P.S., Schultheiss, W.A., van Vuuren, M. & Berry, W.L.** Neonatal mortalities in captive-bred cheetahs
- van Vuuren, M., Goosen, T. & Rogers, P.S.** Feline herpesvirus infection in a group of semi-captive cheetahs
- Lobetti, R.G., Picard, J., Kriek, N.P.J. & Rogers, P.S.** Prevalence of helicobacteriosis and gastritis in a group of semi-captive cheetahs in South Africa
- Terio, K.A., Solnick, J.V. & Munson, L.** Potential mechanisms underlying gastritis in cheetahs
- Picard, J.A., Lane, E. & Louw, M.** Cryptococcosis in cheetahs
- Burroughs, R.E.J.** Diseases in cheetah: management, treatment and prevention
- Meltzer, D.G.A., Bertschinger, H.J. & van Dyk, A.** Reproduction in male cheetahs:
I. Breeding management and semen evaluation
- Bertschinger, H.J. & Meltzer, D.G.A.** Reproduction in male cheetahs:
II. Sperm morphology
- Meltzer, D.G.A. & Mülders, M.S.** Reproduction in male cheetahs:
III. Reproductive hormone studies
- Bertschinger, H.J., Meltzer, D.G.A., van Dyk, A. & Strachan, A.** Breeding of female cheetah in captivity

BIBLIOGRAPHY OF THE CHEETAH

1033 papers and other publications, with a comprehensive cross-referenced index
