

VETFLASH!

Dear SAVA Member,

Please see the attached publication of the final lockdown regulations.

I have identified the areas below that are of the most importance to you (found in Annexure B, page 8):

Essential Goods:

1. **Animal Food**
2. **Medical and hospital supplies, equipment and personal protective equipment**

Essential services:

1. **Wildlife management, Anti-poaching, animal care and veterinary services**
2. **Transport services for persons rendering essential services and goods**
3. **Transport and logistics in respect of essential goods**

For your benefit, we have included the permit that allows staff to travel in MS Word format. It is copied as is from the regulations, without SAVA logo. We did not include the logo for fear of potentially confusing the authorities.

Please ensure that all your staff working at your premises is in possession of one and carries identification with them at all times.

Best regards,
Gert Steyn
Managing Director
