

# VETFLASH!

Dear SAVA Member,

Keeping updated about the prevalence of the Covid-19 virus is critical in this time. We have found the websites below to be very useful – the first one is exceptional in the amount of statistics it draws:

<https://www.worldometers.info/coronavirus/>

This site below is maintained by Johns Hopkins University

<https://gisanddata.maps.arcgis.com/apps/opsdashboard/index.html#/bda7594740fd40299423467b48e9ecf6>

Here is the World Health Organisation Dashboard.

<https://experience.arcgis.com/experience/685d0ace521648f8a5beeeee1b9125cd>

Kind regards,  
Gert Steyn  
SAVA: Managing Director
