

VETFLASH!

Dear SAVA Member,

FOR YOUR INFORMATION:

Please find a message from WVA below.

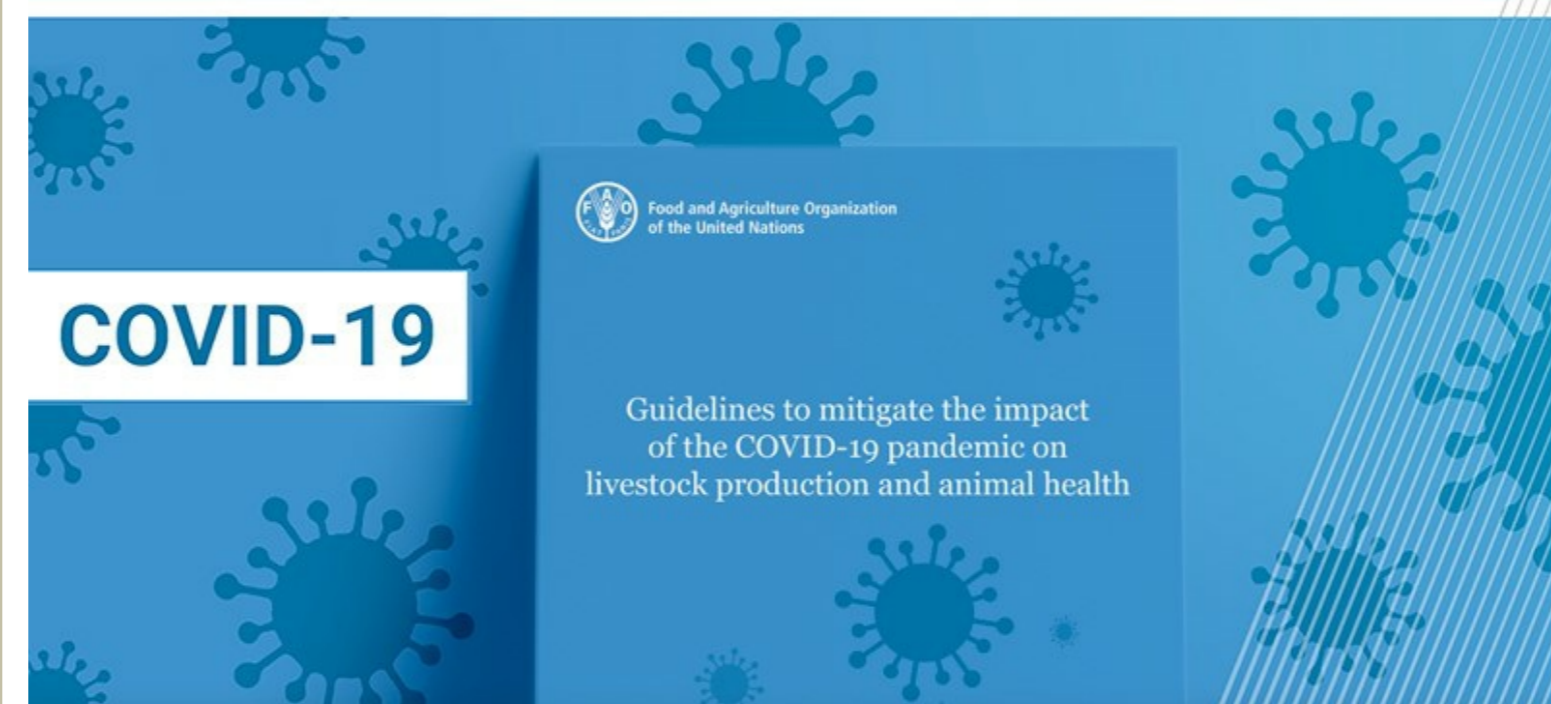

Best regards,
Gert Steyn
Managing Director

Dear All,

On behalf of the FAO, please find attached the FAO Guidelines to mitigate the impact of the COVID-19 pandemic on livestock production and animal health.

Best regards,
Zeev Noga

The FAO "**Guidelines to mitigate the impact of the COVID-19 pandemic on livestock production and animal health**" provide practical recommendations for farmers, traders, animal health workers, policy makers and other stakeholders – on how to reduce the impact of disruptions along the livestock market chain, and how to maintain essential control and prevention of animal diseases - in order to safeguard and strengthen food systems and One Health.
