

# VETFLASH!

Dear SAVA members,

The Government's portal to register for COVID-19 vaccinations is now open to healthcare workers **and people 60 years and older**, and will move down the age groups as quickly as possible.

<http://vaccine.enroll.health.gov.za/>

We are still awaiting feedback on the essential worker Phase II vaccinations for veterinarians and will keep you posted.

Kind regards,  
Gert Steyn  
SAVA: Managing Director
